16   THE COURT, having considered the stipulated motion to continue trial and pretrial

17 motions deadline, the records and files herein, hereby makes the following findings:

18   1.   The Court finds that a failure to grant the continuance would deny counsel the

19 reasonable time necessary for effective preparation, taking into account the exercise of due

20 diligence, within the meaning of 18 U.S.C. § 3161(h)(8)(B)(ii).

21   2.   The Court further finds that the ends of justice will be served by ordering a

22 continuance in this case, that a continuance is necessary to insure effective trial preparation

23 and/or meaningful plea negotiations, and that these factors outweigh the best interests of the

24 public in a more speedy trial, within the meaning of 18 U.S.C. § 3161(h)(8)(A).

25   IT IS THEREFORE ORDERED that the trial date in this matter is continued to March

26 12, 2007, and the deadline in which to file pretrial motions is continued to February 12, 2007.
